# métropole GrandNancy

A territory with a strong  
technological character.

A metropolis looking to the future:  
education, research, and culture are  
at the heart of Grand Nancy's identity.

## France's #2 engineering training hub after Paris

with 52,000 students, 6,000 academics, multiple research laboratories and institutes, renowned schools, and a unique "French Tech" label in the Grand Est:  
the Nancy Henri Poincaré Technopole beats to the rhythm of a city looking far ahead.

## Nancy, culture and heritage

**Major events:** St Nicholas festivities, summer program, Livre sur la Place, Nancy Jazz Pulsation, Urban Encounters, International Film Festival...

**Museums:** École de Nancy, Fine Arts, Palace of the Dukes of Lorraine, Galerie Poirel, science and technology museums...

**Performances** with the National Opera of Lorraine, the CCN Ballet, the Théâtre de la Manufacture, L'Autre Canal, Salle Poirel, Théâtre Mon Désert, Zénith...

Greater Nancy boasts **major architectural assets**, including an 18th-century ensemble listed as a UNESCO World Heritage Site (Stanislas, Alliance, and Carrière squares).
